# Wedding SALE Packet!!!

## MASSIVE DATE BASED SAVINGS!

### ATTENTION: RECENTLY ENGAGED COUPLE!

Greetings! My name is Aaron Abramson and I am the Chief Entertainment Officer at Pro Sound & Light Show. We have been helping thousands of happy brides & grooms celebrate their weddings for the past 29 years, and are the largest, most award winning entertainment company in the area.

We recently were awarded the “Best of Weddings” award for 2021, our 12th year in a row, from theKnot.com! We’re also in TheKnot Hall of Fame! When it comes to wedding entertainment, no other company in the area has the reputation for excellence, experience, and talent that we have at Pro Sound & Light Show.

With the curveball of 2020, we have survived and are thriving. Many of our 2020 couples have rescheduled to 2021 and dates are our inventory. We already have several 2021 dates that are “sold out”. If your wedding is on a popular date between May and October, I urge you to take advantage of this sale and **book your DJ and/or Photo Booth before your date is sold out.**

Until **WEDNESDAY March 31st, 2021**, you can reserve your DJ, Event Lighting, or Photo Booth for a great price, and start planning, knowing your wedding will be in the hands of trusted, proven professionals.

#### A few warnings about the sale

1. Sale prices are for new bookings only. If you are an existing customer, you may add-on sale items to your package but cannot partake in offers for anything you already have booked.
2. Sale prices are subject to availability. Simply put, we are already fully booked for many dates.
3. Quantities are limited. We can only provide services for 10 DJs and 8 photo booths on any given date. Be sure to check to make sure we are still available for your date before booking.
4. **Sale prices require a non-refundable deposit of just \$199.**

I truly hope that you are able to get in on these awesome deals and that we will be working together on your wedding or special event in the near future.

Best Wishes,

Chief Entertainment Officer of Pro Sound & Light Show

P.S. Some extra discounts are available based on specific dates and/or wedding venues.

Comments from recent happy clients: [We look forward to adding yours to this list!](#)

Very happy with our DJ! The planning package online was so helpful and thorough that every detail was known and executed by our DJ perfectly. I would highly recommend Pro sound and Light!

**Emily & Andrew's wedding at Grand Superior Lodge in Two Harbors MN**

We loved Andrew he went with the flow as the both of us do with the night and we could not have picked a better DJ for the job! All of our guests said it was one of the very best DJ's that have seen at a wedding as well. Thank you!

**Faith & Mitchell's wedding at Barkers Island in Superior WI**

Ryan was amazing! He was great at communicating, was attentive, and worked well with all of the other vendors like the photographer and venue staff. Overall, he exceeded our expectations and we had many compliments on the DJ service! The Photobooth was also a huge hit and SUPER fun! Thank you, ProSound and a special thank you to Ryan!

**Kaitlyn and Austyn's wedding at Fortune Bay Casino in Tower MN**

Karsen did a great job! He communicated with us the whole night to make sure we were all on the same page on what was happening next. He kept the dance floor full the whole night and played pretty much every song we had put on the must play list. Our guests had a great time dancing!

**Ashley & Stephen's wedding at Oak Ridge Country Club in Hopkins MN**

Pro Sound is so easy and great to work with. The whole team helped us navigate what was needed for our wedding and helped point out things we had not thought of. The dance floor was never empty and they were true professionals the whole night. Our DJ Austin was amazing!!! Everyone commented on how fun the song selections were and how there were no "duds" or unnecessary slow downs. He also was great at helping us stay on our schedule, as well as having no problem moving something back or forward with how the night went. He was a huge asset in helping us that whole night.

**Liam & Stephani's wedding at Sacred Heart Music Center in Duluth MN**

We loved working with these guys! Our DJ Tyler was prompt and professional yet totally tailored communication style to our needs. The uplighting was gorgeous and fun! I would definitely recommend it to anyone looking for a DJ for their wedding!

**Jacob & Rachel's wedding at Jean Acres in Ellsworth WI**

Brandon did a phenomenal job! He was very personal over the phone and in person. He did a great job mixing in requests and playing our songs per our discussion on the phone prior to the wedding. He also did a great job announcing the couples as they walked into the ballroom and even came and talked to us when people were tapping their glasses too much for us to kiss. He has us put a game in to get people to have to kiss too if they tap the glasses, AWESOME idea. Overall, Brandon was phenomenal as I said before. We didn't have to worry at all about any songs, lighting or music, which is exactly what we wanted on our big day. I am not sure if Brandon sees this or not, but Thank you again for being so awesome! I would 100% recommend Pro Light & Sound to anyone that is in need of DJ services. From start to finish, it was an amazing experience. All of the online tools were simple to use and our DJ put time and effort into getting to know us and our music choices. The day of the wedding, he did a great job setting up, working with our wedding planner and asking questions before acting. Overall, we are VERY happy!

**Connor & Elizabeth's wedding at the Greysolon Ballroom in Duluth MN**

I couldn't have asked for better DJ company! Everything was so organized. Hannah and Eric made our night so smooth and both were extremely accommodating! I will always recommend Pro sound to anyone needing a DJ.

**Chris & Ali's wedding at Pokegama Golf Course in Grand Rapids MN**

Jessica was so fun to have as our DJ! She was very accommodating of our requests including a last-minute plan for a choreographed grand march. The mix of fast to slow songs was perfect, as well as the mix of classic and newer songs. Every time I looked over, she and the other DJ were dancing and having a great time, which definitely kept the party mood going!
